

WELCOME TO BLUE MANATEE PRESS

a press with purpose

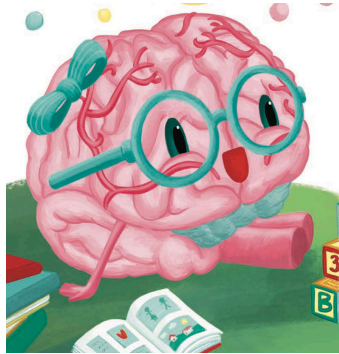

BLUE MANATEE PRESS PROUDLY PARTNERS WITH PEDIATRIC and BRAIN HEALTH ORGANIZATIONS

Founded in 2011, **blue manatee press** is rooted in a mission to create meaningful, enduring books that help bring grownups and children together.

A core of the blue manatee press **mission** is to create and distribute excellent children's books that convey important, evidence-based health information for families of young children, especially those facing inequities, in a readable, nurturing way. We also strive to create children's books that encourage "shared" reading and "unplugged" imaginative play, and help build early literacy skills.

Led by a **pediatrician** whose work has helped understand how shared reading and screen time impact skills, relationships and early brain development, and using children's books to convey health and parenting information, we are truly, "a press with purpose." We seek partnerships with public libraries, health organizations, hospitals, literacy programs, agencies and other non-profit groups, to help ensure that the story for all children is happy and healthy.

A fun and accessible
introduction to how the
human brain works!
Say "Hello" to

Billie the Brain!

Learn about your brain
from a superstar friend!
Billie teaches us what
she's made of, how she
works, how doctors and
others help her when
she's sick, and how to
keep her healthy.

A perfect book to share
and explore, for young
readers, budding
scientists and neo-
neurologists.

Rhyming text, fun
illustrations, "brainy"
facts and simple yet
scientifically accurate
diagrams are also ideal for
STEM education.

Co-authored by
pediatricians and health
literacy experts.
